About Us

Creative Exports is a young and dynamic enterprise specializing in the manufacture of high-quality garments for export to the Middle East and European markets. We have in-house production facilities capable of handling both regular and specialty knit fabric garments.

Creative Exports is committed to keeping our clients at a competitive edge by consistently delivering superior value and cost-effective pricing.

STRENGTHS AND CAPABILITIES

- Over 15 years of combined industry experience in garment manufacturing.
- Strong understanding of design, fabrics, patterns, products, production, and quality.
- Assured high-quality garments with excellent comfort in knitted fabrics.
- Experience with international brands and exposure to global fashion lines.
- Fast turnaround for bulk production with a team that understands design and product requirements.
- Efficient and transparent communication throughout the process.
- Flexible production capabilities, comfortable handling small quantity orders as well.
- Commitment to providing superior value and maintaining clients' competitive edge.

Strategic Objective

Exceeding Customer Expectations : We prioritize client requirements and ensure flawless execution that safeguards their interests.

Quality Assurance : Producing high-quality garments is a core value embedded in all our management practices.

Employee Well-being : We believe in providing a safe and supportive working environment for our workforce, as it enables us to deliver the highest quality service to our customers.

VISION

TO ESTABLISH CREATIVE EXPORTS AS A PREMIER DESTINATION FOR RETAILERS SEEKING INNOVATIVE, HIGH-QUALITY, AND COMPETITIVELY PRICED PRODUCTS.

Product Ranges

We have a well-developed infrastructure for producing high-quality garments. Our in-house production and finishing facilities ensure consistent quality, greater product satisfaction, and confidence in every piece we deliver.

Quality Assurance

Quality

Quality is at the core of our business philosophy. We conduct quality control at every stage, from raw materials to final shipment, ensuring consistently high-quality merchandise at all times.

Fabrics

Our core expertise lies in knitted fabrics. Our well-trained team possesses extensive knowledge of all types of knitted fabrics, ensuring seamless translation from design to final product. We are also fully capable of sourcing any type of fabric from the industry.

Capacity

Production Capacity : 30000 units per month (Basic T-shirt)

We are highly committed to timely deliveries. A strict Time and Action Plan is followed to ensure all consignments leave on schedule.

Social Responsibility

We are committed to providing the best to our customers while ensuring the well-being and development of our staff and workers. Our team actively engages with employees to understand their concerns, supports their skill development, and maintains a safe and positive work environment. By focusing on staff safety, satisfaction, and continuous improvement, we create a motivated workforce that consistently delivers high-quality products.
